SIR,

S.8582

With reference to your Express letter No. 1892 dated 28th February 1930, I have the honour to state that the total expenditure incurred upto date is Rs. 1,137/- and the probable expenditure during the current year including the share of cost of the canvas Fire hose proposed to be purchased as well as the proportionate cost of works to the extent of Rs. 100/- proposed by the Executive Engineer will amount to Rs. 380/-. The total expenditure chargeable to the Residency Budget would therefore be Rs. 1517/- for the current year which slightly exceeds the sanctioned allotment by Rs. 17/-. I shall, however, minimise the consumption of petrol during the current month and try to adjust the expenditure so as not to exceed Rs. 1,500/-.

With reference to the Hon'ble the Resident's proceedings No. 1971, dated 5th March 1930, conveying sanction for the purchase of "Acme" brand Canvas Fire hose at a cost of Rs. 445-5-0, I have the honour to state that the Pay & Accounts Officer represents that the amount left as balance under "Clothing" after re-appropriations is not sufficient to meet the final clothing bills which I have sent to him for payment amounting to Rs. 342-14-0. Besides I cannot find any saving under any other head. In these circumstances, I have postponed the purchase of the Fire hose to next month i.e., April 1930 (next financial year) and request that the amount (covered by the cost of Fire hose) thus released may be permitted to be utilised towards meeting clothing bills now pending to be passed by the Pay & Accounts Officer and the Hon'ble the Resident's Proceedings referred to above may be suitably altered.

I have the honour to inform you that the charge of Re. 1/- per mensem sanctioned by me for the Fire Engine and Prison van shed was found to be too small as the whole compound has to be swept every day and I have therefore raised it to Rs. 2/- per mensem from March 1930.

The Pay & Accounts Officer has now objected to this pointing out that the sanction of the Hon'ble the Resident is necessary under Rule 100 Civil Account Code and I therefore request that you will kindly obtain the necessary sanction and communicate at an early date.

I have the honour to state that the supplier who has agreed to supply at Rs.1-8-0 per foot now represents that he has received telegraphic instruction from his Madras office that, in consequence of the recent increase in customs duty, the prices of hoses have also simultaneously risen. As a result of this, the price of hoses agreed to be supplied to us has gone up to Rs.1-12-0 per foot and the cost of 450 feet will therefore be Rs.787-8-0.

I therefore request that the sanction accorded in the Hon'ble the Resident's proceedings referred to above may kindly be modified accordingly.

As the Fire hoses are very urgently required, I have ordered the supply in anticipation of your sanction.
